LICENSES AND PERMITS

3. Gauchos Do Brazil

On 4/18/11 at approximately 0128 hours Officer Chanthaphouvong conducted a liquor law check of the Gaucho Do Brazil restaurant, 24

Jefferson Boulevard. Prior to doing so, Officer Chanthaphouvong observed that the parking lot was full with cars at its capacity. Upon entering the establishment the officer observed that there were several security personnel working the interior and that there was DJ playing music. The officer estimated that there were 150-175 people inside the bar area and two opened adjacent connecting rooms. It should also be noted that the officer observed two Hookah Bongs out on the tables by the bar which patrons were smoking flavored tobacco from. Officer Chanthaphouvong however did not observe any dancing, nor was there any food and alcohol being served at this time. Upon locating the Manager, Carlos Gumbs, Mr. Gumbs stated to the officer that this was a special grand opening night and that he had previously contacted someone from the Warwick Police Department and gave them a courtesy call of the event. Mr. Gumbs could not recall who he has spoken with. It should be noted that Mr. Gumbs was very cooperative showing the officer his 24 hour food service and liquor license. However, he stated that he had an entertainment license but when asked to show it he was unable to show proof of such. (11-1723 OF)

Due to the aforementioned facts the management of Gauchos Do Brazil is in violation of the following rules and regulations issued by the Board of Public Safety for the orderly operation of liquor establishments.

15. LIVE ENTERTAINMENT Live Entertainment shall not be permitted on any licensed premises without a valid license for the same having

first been issued by the Board of Public Safety. Live Entertainment shall include shows, bands, disc jockeys, and other forms of entertainment other than a juke box. Amended 7/24/07
